Judging for Woodland entries will take place 11/28/16 to 11/30/16. Johnson city will do the city wide judging on Friday December 2, 2016. Entries will then be mailed to the state for judging after city wide judging is complete. (please encourage Woodland students to participate)

This looks good coming from our school.

TREASURER

Jennifer Atkinson passed out budget analysis sheet to everyone. It was brought to our attention that Art has more money than the other areas due to the sale of artwork.

PTA purchased the online program Study Island for Woodland students a value of \$3530.00. This is a learning website for students that helps them prepare for the TNReady test and goes by state standards.

Total expenses \$14,700.00.

We are still waiting for the auditor to return the books and audit review.

Also Jennifer has found a cheaper source to purchase checks from.
