

Woodland PTA Eagle Club

2016-2017

What is it? The Eagle Club is the Woodland PTA private donation program. **The PTA receives and controls 100% of the funds collected.** All donations are tax-deductible minus the value of the prize. Thank you letters will be sent as a receipt. This straight donation program is the #1 preferred fundraiser of parents!! No selling wrapping paper or candy!

When will the program run? While donations will be accepted at any time throughout the school year, the incentive program will run from August 2 – October 6. Donations received after the incentive period ends will be accepted but no incentives will be rewarded.

Contribution levels and incentives

How will your donation be used? The Woodland PTA has proposed budget expenditures for additional learning and technology enhancements, individual teacher and/or grade level requests, family engagement and community projects, and more. The donations will go to support the funding of these and other programs.

What is our goal? Our 2016-2017 goal is **\$6,000** with at least **50% of Woodland families participating**. *Please do not forget those company matches.* Company matches increase the impact of your donation. Please check with your company to see if they participate in a company match program.

How do I donate? At Open House you may fill out the Open House Order Form and pay by cash or check. After that you may send your payment and form in an envelope labeled “Eagle Club” to your student’s teacher.

We THANK YOU in advance for your participation in your Eagle Club. Your contributions are more valuable than ever. Every dollar benefits every student at Woodland Elementary.
